

### Praxair Express<sup>SM</sup>: Your Online Window To Business Opportunity

One-stop shopping takes on new meaning at Praxair Express<sup>SM</sup> online services web site designed exclusively for customers of Praxair Distribution, Inc.

More than just placing orders, here you can also check your order status, search our inventory, even create custom templates that make reordering a snap. Not sure what to order? Our online catalog lets you browse over 100,000 products, so you're sure to find whatever you need.

### Increase Your Productivity

Easy to use... designed to make you and your business more productive... the Praxair Express service is the perfect online business tool for keeping pace with today's demanding marketplace.

Once you log on, Praxair Express services lets you:

- Order securely using Secure Sockets Layer (SSL) technology.
- Obtain comprehensive online help anytime you need it
- Review a comprehensive demo within the site
- Find the Praxair Distribution location nearest you.

All this, as well as Praxair's vast distribution network and experienced professional support staff, help ensure you'll log onto Praxair Express services again and again.

### The Praxair Express Difference

#### Register Online

As a Praxair customer, just log on and provide the information requested. Then put Praxair Express services to work for you.

#### Search Our Inventory

Want to see if the item you need is in stock? Need to check quantities? Answers to inventory questions are just a click away.

#### Access Praxair's eCatalog

Our catalog is your connection to over 100,000 products.

#### Place Orders

Our simplified ordering process is convenient, quick and easy.

#### Check Your Order Status

Inquire by your purchase order number or by our order number, all designed to enhance your productivity and efficiency.

#### Custom Orders

Making frequent repeat orders? Our custom order feature lets you create templates and reduce ordering time.

#### Search Your Purchase History

Need to see what you've ordered in the past? This easy-to-use feature lets you access and previously ordered item to make reordering a snap.

#### Check Your Balance

Check your account and cylinder balances online, so you'll always know what you have in-house and what's outstanding.

### AccuStar<sup>SM</sup> Gas Cylinder Distribution System

Imagine instant cylinder processing and less paperwork. Praxair's new AccuStar<sup>SM</sup> electronic cylinder distribution system, can provide our customers with:

- Faster cylinder transaction processing
- On-site invoicing and reduced paperwork
- Improved billing accuracy
- Electronic signature capture
- Credit card or cash for product payment.
- Advanced order placement
- Improved forecasting and inventory management
- Regulatory compliance

In fact, Praxair's AccuStar system is linked to Praxair's mainframe computer, resulting in one of the industry's fastest and most accurate route to cylinder order transaction, dispatching, regulatory compliance and billing.
