<sup>(1)</sup> Environmental grades available 2.5 ppm to 2.9% in Nitrogen balance only. Please inquire for lower concentrations.

\* Key for Praxair Grades (Refer to D1 for complete specification details).

**EV** - Environmental grades include EPA (**E**), Primary Master (**N**), Certified Master (**M**), Dynamic Blend Master (**D**) and Dynamic Blend Standard (**Y**).

**ST** - Standard grades include Primary (**P**), Certified (**C**), Non-Certified (**U**) and Custom (**Z**).

When ordering, combine the Reference Number with the Grade and Cylinder Style identification to obtain the complete part number. Please also specify the desired concentration.
