<sup>(1)</sup> Environmental grades available in Air (10 ppm to 500 ppm) and Nitrogen (3 ppm - 1%). Please inquire for lower concentrations.

- \* **Key for Praxair Grades** (Refer to D1 for complete specification details).
  - EV** – Environmental grades include EPA (**E**), Primary Master (**N**), Certified Master (**M**),
  - ST** – Standard grades include Primary (**P**), Certified (**C**), Non-Certified (**U**) and Custom (**Z**).

When ordering, combine the Reference Number with the Grade and Cylinder Style identification to obtain the complete part number. Please also specify the desired concentration.
